

Cheltenham Girls' High School High Performance Gifted Education

Year 7 Class 2025

High Performance Gifted Education

The HPGE class will reflect Cheltenham Girls' High Schools commitment to excellence and high expectations, catering for and engaging the whole student across all areas of development. In 2025 Cheltenham Girls' High School is offering an opportunity for local area girls to apply for entrance into a high performance gifted education class. The class will be capped at 30 students.

Selection Process:

- 1 Requires the student to be living within the Cheltenham Girls' High School geographical enrolment zone. NO non-local applications, Temporary visa or International students will be accepted.
- 2 The online Department of Education Year 6 into Year 7 enrolment application for 2025 to have Cheltenham Girls' High School as local choice 1 by selecting Cheltenham Girls' High School in Section B.
- 3 The completion of the Cheltenham Girls' High School HPGE Class application form. This application form is attached at the end of this document.
- 4 Documentation will need to be attached and emailed with the application form which includes:
 - 4a A copy of Year 4 and Year 5 Half Yearly and Yearly School Reports which include teacher comment and academic results.
 - 4b A copy of the students Year 5 NAPLAN results.
- 5 Submission of the Cheltenham Girls' High School application form, documentation and administration fee of \$105.00 for the HPGE placement test and invigilator fee paid to the school by Friday 12th April 2024. Submission can be made via email to: cheltenham-h.school@det.nsw.edu.au
- 6 Completion of Cheltenham Girls' High School HPGE test Friday 3/5/24 at 11am.

Submission due by Friday 12th April 2024. No late submissions will be accepted.

A unique opportunity for students to extend their talents and ability into high performance over a four-year period in Years 7 – 10.

- Students will be working at accelerated Stage 4
- When in Year 8 students have a choice of language and the HPGE class will vote as a class for the language based on the languages offered. It will be a majority vote.
- Students have the opportunity to be enrolled in HSC acceleration courses in Year 9 and 10
- Students will be expected to demonstrate their ability through high performance. This will be achieved through a variety of formative and summative assessments, including testing, observation and student work samples, demonstrating improvement and the application of the teacher feedback across all KLA's.
- All students' positions in the class will be determined by the school and movement to a mainstream class will be facilitated if it is deemed necessary in order to better meet the learning and wellbeing needs of the student. The position in the class is not guaranteed for the 4 years.
- Each student will be expected to undertake additional opportunities including:
 - Participation in competitions
 - Participation in a range of extra curricular activities in the area of talents and interests including: debating and public speaking, engagement with Aboriginal culture, sport representation, music, dance and drama ensembles and performances, environmental research, technological innovation and leadership opportunities.
