Dear Parents and Students,

## Program for Year 11 2025 Subject Selection

The following timeline and information explain the procedures we have established to assist families in choosing subjects for study in senior school. I encourage you to use every opportunity we offer to seek information and guidance before final decisions are made.

### 1. Term 2 Week 6, Tuesday 4<sup>th</sup> June, Period 2 – MPC

Information booklets and seminar schedule issued. Launch of the "Year 11 2025 Subject Selection" google site.

This site has been developed to give access to information regarding subject selections, NESA requirements, assessment, and ATAR. It also has information about each subject offered at CGHS for senior school. We encourage parents and their daughters to watch/read this information together. The address of the google site is below.

### 2. Term 2 Week 7, Tuesday 11<sup>th</sup> June to Monday 17<sup>th</sup> June – MPC

Beginning on this day, the school will conduct a program of subject information seminars delivered by teachers from each faculty. Each seminar will provide more detailed information than is able to be included in the subject selection booklet, as well as provide the opportunity for questions. Seminars will be held in the MPC. Student attendance is compulsory at each seminar spread across various periods in Week 7 and Monday in week 8.

### 3. Term 2 Week 8, Tuesday 18<sup>th</sup> June – 5:30 pm to 8:00 pm – MPC

A parent/student information evening will be held in the school MPC. Each faculty will have a display and staff members available to answer questions about subjects on offer at the school for senior years. The HT Secondary Studies and Deputy Principal will be available for general questions about the subject selection process. The Community Liaison Officer will also be available if needed for Mandarin or Cantonese interpretation.

To prevent congestion in the hallways and time to ask questions you will need to book into one of the four 30 minutes timeslots. The booking form is located on the google site listed above.

The CAPA, English and TAS faculties are also offering short presentations about each of their subjects during the evening. Please use the booking form provided on the googlesite listed above to book your seat at which ever presentation you wish to attend.

### 4. Day after parent/student information evening

Distribution of password for subject selection software via student's DET emails.

### 5. Term 2 Week 9, Tuesday 25<sup>th</sup> June – MPC

Parent Teacher night – 3:00 pm to 6:00 pm.
